

# 2025 DATED HIGH NOTE® COLLECTIONS

## Mushroom Collection

Kelsey Oseid's remarkable illustrated fungi are at once informative and enchanting. Known for her rich gouache paintings of natural history and astronomy subjects, Kelsey is the Minneapolis-based artist behind the best-selling book, *What We See in the Stars*. For these lavishly illustrated deluxe hardcover and softcover planners, Kelsey showcases the diversity of mushrooms across the rainbow.

## Greenery Collection

Designed for the plant lover, this collection is a response to the popularity of houseplants in interior decor. The art is simultaneously lush and delicate, wild and calming, and it provides a visual feast of fresh flora throughout the year.

### Jess Phoenix Collection

Jess Phoenix creates bright, colorful floral designs that jump off the page. This year's planners are inspired by the Barbiecore trend, incorporating classic Barbie colors. The covers feature gold foil details and a pop of spot color for extra vibrant hues that are sure to grab the attention of all passersby.
